

Summer Camp Guidelines

- Summer camp starts at 10:00 AM and ends at 3:00 PM. All campers should arrive and be picked up on time. Parents or guardians must provide transportation to and from the museum to their residence unless other arrangements were made through the museum.
- Campers should make an effort to attend the majority of the summer camp program. Please notify the museum if your child is going to be absent.
- A schedule will be given for each field trip. The schedule will include the location of the field trip, the time the campers should arrive at the museum on that day, and the time the campers will be returning to the museum. Please contact the museum if you have any questions.
- Campers will be going swimming on _____ at the Chisholm Community Center pool. If your child is participating, please make sure they bring a towel and proper attire.
- The campers should follow the directions of teachers, assistants and office staff in order to ensure **campers at risk of injury will not be tolerated under any circumstances.** Campers will be given a verbal warning followed by time out and if behavior continues the parents or guardian will be contacted. If behavior problems still persist, under rare circumstances, the camper will be dismissed from the summer camp program. This will only occur when all other course of action to solve the problem fails.
- Campers are requested to wear appropriate clothing and footwear to avoid injury. We ask that campers wear closed-toed shoes during field trips.

If you have any questions, concerns or comments, please contact the museum at 386-736-4004.

Thank you.

Summer Camp Permission Slip

Child's Name: _____

_____ Pictures will be taken of campers during class activities and field trips. **If you do not want your child's picture taken, please check here**
